

## Special Invitation: Pre - Release "AlertID My Neighborhood"

Dear Resident,

I want to invite you to participate in one of the top priorities for the county this coming year. Out of the entire United States, Northern Nevada has been selected as the pilot county for AlertID My Neighborhood. And, we need your involvement to make this successful.

AlertID uses the newest online technology to create instant, two-way communications between citizens and federal, state, and local authorities to provide immediate information on crime, terrorism or natural disasters that can threaten the safety of your family and community.

Using the unique AlertID system, you are constantly connected to neighbors, local police and fire departments, as well as federal and state agencies to exchange critical information that can help keep your family and community safe, whether the threat is national, local, or personal such as a missing child.

Washoe County's pilot of AlertID My Neighborhood has started and we would like you to participate.

I hope you will join now, and share this invitation with your friends, co-workers, and neighbors. To sign up please go to [www.AlertID.com](http://www.AlertID.com).

*Sheriff Mike Haley*  
*Washoe County Sheriff's Office*

P.S. If you have any questions, please contact AlertID at (775) 852-2098 or email [support@alertid.com](mailto:support@alertid.com)

Protect Your Family  
Protect Your Neighborhood

## Northern Nevada Has Been Selected to Pilot AlertID My Neighborhood

**Washoe County (2011):** Out of the entire Nation, Northern Nevada has been selected to pilot AlertID My Neighborhood. AlertID uses the newest online technology to create instant, two-way communications between citizens and federal, state, and local authorities to provide immediate information on crime, terrorism or natural disasters that can threaten the safety of your family and community.

### AlertID is every-day protection for your family and your neighborhood.

Using the unique AlertID system, you are constantly connected to neighbors, local police and fire departments, as well as federal and state agencies to exchange critical information that can help keep your family and community safe, whether the threat is national, local, or personal such as a missing child or family pet.

*"As a community, armed with information, we are more powerful than the criminals" Sheriff Mike Haley*

### Connect to Your Family

#### Instant text and email for emergencies

Exchange critical information to help keep your family and community safe, whether the threat is national, local, or personal like a missing child.

### Connect to Your Neighbors

#### Keep your neighborhood safe

With AlertID you are constantly connected to neighbors, local police and fire departments to keep you and your neighborhood safe.

### Connect to Local Police

#### Provide immediate information on danger

Provide immediate information on crime, terrorism or natural disasters that can threaten the safety of your family and community.

### Live Crime Map Near You

#### See crime in your neighborhood

An interactive crime map shows potential threats to your family, your schools, and the community. An electronic neighborhood watch helps you and your neighbors warn each other.

### Instant Danger Notifications

#### Real-time updates on threats to your family

AlertID helps you protect your neighborhood by connecting you with your neighbors and with the local authorities. Instant threat alerts are available through text and email.

### Share Critical Information

#### Know if there is danger to your family

AlertID online technology creates instant, two-way communication between citizens and federal, state, and local authorities to provide immediate information on crime, and other threats to safety.

To sign-up for AlertID My Neighborhood pilot go to [www.AlertID.com](http://www.AlertID.com)

AlertID is free to the public, and free to agencies.
